

Dear McAdenville Residents,

The Town of McAdenville is excited to announce the return of curbside recycling!

In preparation, all households are asked to roll *both* of their collection containers to the curb on Friday, November 1st or Friday, November 8th. This will allow Harrison Sanitation to apply a recycling decal to the top of one of your containers. Moving forward, the container labeled for recycling *cannot* be used for trash. A quick reference guide for what belongs in your recycling container is attached.

The first date for curbside recycling collection is Friday, November 15th. Thereafter, curbside recycling will take place on the 1st & 3rd Fridays of each month.

Additional information about McAdenville's Recycling Program can be found under the Town Services tab of our webpage at www.townofmcadenville.org - or feel free to contact Town staff directly with questions or concerns at 704-824-3190.

Thank you for your patience while we worked to find this recycling solution for our Town. Recycling is a wonderful way to conserve our natural resources by reducing the amount of waste going into our local landfills, provided that we recycle correctly. Knowing what does (and does not) belong in our recycling containers is vital to the success of this new program. Remember: *When in doubt, throw it out!*

Sincerely,

The Town of McAdenville
