

## THE GOAL

To engage county residents, businesses, and organizations in dialogue about their desires for the future of Gaston County, and to use that dialogue, along with an examination of data and trends, to create a VISION for what Gaston County can achieve between now and 2040.

## HOW TO PARTICIPATE

Watch for opportunities to have YOUR voice heard, and to hear what others have to say.\*\* Community Engagement Workshops (about 90 minutes each) will be held in various parts of Gaston County on the following dates. Locations will be announced soon!

### First Round

Tuesday, April 12, 3pm & 7pm  
Thursday, April 14, 3pm & 7pm  
Wednesday, April 27, 3pm & 7pm  
ZOOM: Saturday, April 30, 10am

### Second Round

Tuesday, May 24, 3pm & 7pm  
Wednesday, May 25, 3pm & 7pm  
Thursday, May 26, 3pm & 7pm  
ZOOM: Saturday, May 28, 10am

\*\*If you represent a non-profit organization, a church, a municipality, or a business, please attend a STAKEHOLDER briefing to participate fully in the visioning effort and its implementation! Stakeholder briefings are occurring throughout March.

A community vision is  
**an image of a community's future.**  
It describes a desired outcome  
- a place where participants  
agree they want to journey  
together.
