

REQUEST FOR QUALIFICATIONS TOWN ENGINEERING SERVICES

ADDENDUM: November 8, 2022

The following question(s) were submitted for the McAdenville RFQ for Water/Sewer improvement projects published October 17, 2022.

Question #1

We will need to include subconsultants on our team for survey and real estate acquisition. Per Item 18 on page 3, must we obtain approval by the Town to include subconsultants on our proposed team?

Response: A respondent to the RFQ can propose subconsultants in their response, if desired. Once the Town selects a consultant, the Town has final approval of subconsultants to be used on the project.
